ANNUALS

Judge: Professor E. W. Withers

The Journalism Foundation

Washington-Lee University

Lexington, Virginia

Group II. Pioneer. Grundy High School. Grundy.

Pioneer is a neat, inexpensive, and creditable yearbook. Its circulation of 450 copies in a school of 371 students reflects considerable credit upon someone--perhaps upon previous staffs and the 1947 circulation manager.

Pioneer is edited and photographed in routine fashion, with no copy other than the dedication, and with conventional individual and group photographs. In a caption Rhythm Band is misspelled. I, of course, do not know whether names have been spelled correctly or not.

Because the annual is only a pictorial record, it lacks the scope, the individuality, and the life of many other yearbooks in Group II. Consequently, it is much less effective than they.
